

About Us

Baytown Public Speaking Club is dedicated to improving your communication, leadership, and public speaking abilities. We provide a stress-free, supportive environment to practice and excel at public speaking. Meeting participants conduct meetings, and serve in various leadership roles. Individually we bring unique experiences and perspectives to the group, and collectively we help each other achieve many personal and professional goals. You can never be too good at public speaking, and you're never as bad at it as you think! All skill levels are welcome.

Benefits

There are numerous benefits of public speaking classes. It is highly recommended that any professional who lacks confidence seek out a public speaking class to improve on these ever-important skills.

Overcome Fear

Fear is the most significant cause of anxiety and nervousness when it comes to public speaking, rather than lack of skills.

Improve Communication

Interacting with lecturers and fellow students, who come from diverse backgrounds, can help you communicate ideas and opinions more effectively and efficiently.

Social Connections

Creating and maintaining acquaintances with people of different nationalities and experiences can help you make connections that can be very beneficial for your career.

Enhance Your Public Speaking

A classroom/ workshop environment is always the most efficient way of learning and gaining new expertise and know-how of experienced professionals offer routes and tools that are lacking if you try to learn individually.

Organization

A well thought-out curriculum enables the participants to improve their organizational skills when it comes to selling their story.

Career Growth

Meeting qualified and well-versed individuals allows you to engage in conversation regarding career and growth opportunities.

Inspire Others

Gaining skills regarding public speaking should allow you to make changes and inspire others through the power of words.

Meetings

We meet on a bi-monthly basis to practice prepared presentations and impromptu speaking. After each speech, peers provide the speaker with constructive feedback. We are not affiliated with Toastmasters.
